Dear Mr. Stocks:

First I must apologize for being late for our meeting at the Geneva Mine on April 13, 1978. We arrived at 2:30 pm, after you left the site.

The Division would still like to meet you at the site to discuss the Mining and Reclamation Plan for the Geneva Mine. If less than 500 tons of material are mined in a period of twelve consecutive months or if less than two acres of land are excavated or used as a disposal site in a period of twelve consecutive months, the Geneva Mine qualifies for a Declaration of Exemption, and a Mining and Reclamation Plan is not required. If it is found that the Geneva Mine does not qualify for a Declaration of Exemption, the Mining and Reclamation Plan submitted in June, 1977 needs improvement before it can be accepted by the Division.

Please contact either Ron Daniels or myself at 533-5771 in Salt Lake City to set up a meeting. Thank you for your cooperation.

Sincerely,

K. MICHAEL THOMPSON
RECLAMATION HYDROLOGIST
